PA Hunter Breeders' Futurity

Mission Statement

Goals of the PA Hunter Breeders' Futurity

1. Promote quality weanlings and yearlings for the hunter ring.
2. Promote stallions whose get demonstrate the hunter type.
3. Promote mares whose conformation and movement exhibits the hunter type.

The Pennsylvania Hunter Breeders' Futurity (PAHBF) supports breeders by offering them a regional venue in which to promote their weanlings and yearlings during a day of competition. The board strives to provide a fair playing field that is conducive to spotlighting youngsters. Our goal is to promote breeders who have quality horses and ponies that are suitable for the hunter ring. The PAHBF recognizes the importance of elevating the mare whose conformation and movement exhibits the hunter breed type. We also offer a class for PA bred horses and ponies. The PAHBF encompasses the Mid-Atlantic area. These competitions are open to all. The board works hard over the year to raise money and get sponsors in order to provide exceptional awards and prize money. We welcome everyone to come and enjoy a pleasant day with their young stock.
